

REIKI HEALING & CHAKRA BALANCING

The Offering

Walk with me through the 7 major energy centers of the body each uniquely linked to the endocrine system, where we pick up any energetic blockages using a dowsing rod, and awaken the somatic healing system using curated essential oils. Followed by a deeply relaxing hands-on, full-body Reiki session. Gently placing my hands over the front and back of the body allows life's force energy to flow through me as a channel, and restore energetic flow throughout the body.

The Benefits

- Breakdown energy blockages
- Promotes deep relaxation
- Supports physical body healing
- Balances mind, body, and spirit
